TOASTS

CONGRATULATIONS TO **Charlet Rosenquist**, a member of the BlueMasters Toastmasters Club, who was awarded the Distinguished toastmasters Award. The honor was present to M. Rosenquist during the District 63 Toastmasters Conference in Gatlinburg.

"This designation is the highest award given by Toastmasters International to a Toastmaster and encompasses the completion of over 50 speeches in addition to developing leadership skills such as goal-setting, developing plans and strategies and team-building," said event spokeswoman Cookie Norton.

Ms Rosenquist is employed by **BlueCross BlueShield of Tennessee** and is the first Toastmaster of the company to achieve this designation, Ms. Norton said.

"Toastmasters has become an important part of my life Ms. Rosenquist said. "Not only am I able to continue improving myself and help others to improve, but I am able to build friendships around the world that will last a lifetime. I would highly recommend Toastmasters International to anyone who wants to improve their communication and leadership skills."

Ms. Rosenquist lives with her husband and two children in Tunnel Hill, GA.

Don't Forget!!!!!! Secret Pal Reveal

If you would like to participate in 2009, please complete the enclosed Secret Pal Form and bring it to the December meeting. Please think it over and be sure you want to participate monthly. It's very disappointing when you don't hear from your secret pal, but great fun when you are remembered each month. Being someone's secret pal is very rewarding when you watch them smile when they receive their card or gift at the meetings, then they look around to see if they can spot someone watchind. Lots of fun.

MONEY/FINANCE
Married Financial Accounts

Good advice for married couples is to have a shared checking account and credit card that will pay all the household expenses (mortgage, food, water, electricity, gas, cable, repairs, phone, insurance, etc.) and each have a separate bank and credit card in your own name to retain your own FICO score. If a the marriage ended in divorce or one dies, then your post-marriage financial life will be much easier if each has a separate FICO score.

Introducing you to.....

Kelly McCoy

Kelly has been employed by Citadel Broadcasting for over 20 years. Citadel Broadcasting is a four-station cluster that super-serves the Chattanooga Market. KZ106 is the 30 year old heritage, 100-thousand watt Classic Rock station that can be heard in portions of four states and 26 counties. 107.9 The Duke is Chattanooga's new Country station, featuring 20 in a row and the only married morning show (yes, to each other!). Talk 102.3 features local talk show hosts Jeff Styles, Jim Reynolds, Robert T Nash and Sport Talk. WGOW AM features syndicated news and talk, including Rush Limbaugh. Her current on-air shift is 10am-1pm weekdays, including hosting the All Request Classic Rock Café each day at noon (lots of fun!). In addition to her air duties, she is also the Director of Promotions for all the stations (and she loves the fact that their current Volkswagen promotion is with fellow EWI member firm Tennessee Valley Federal Credit Union). You can check out KZ106's website at: <http://www.wskz.com/default.asp>.

Kelly is a single mom to 3 of the rottenest dogs in the world (Jazz is 12, Bailey and Smokey are 6), and she is an active and vocal proponent of Animal Rescue & Adoptions. Something you probably don't know about Kelly—after spending 40+ years believing she was an only child, she discovered 4 'half-siblings' one night while surfing the Internet (!) and after email correspondence for months, they actually met in May of 2007 and she said that they remain in touch today. Kelly stated that her career has taken her "from being on-stage in front of 100-thousand folks at Riverbend to getting to co-host the EWI Barnyard Auction--- what more could a girl want?" You can find out even more about Kelly at the KZ106 website—like she never fired a gun before July of 2006. Now she carries a permit and participates in competitive pistol matches and demolishes unsuspecting watermelons!

Kelly McCoy.....

When asked why she joined EWI she stated that her former Market Manager was approached by Carolyn Stringer to become an EWI member firm and, since NOBODY can say no to Carolyn (we ALL know about that, don't we!), they joined and she was asked to be the rep. Kelly said, "I never imagined how much I would learn from all the strong capable women of EWI, but after working in a male-dominated industry all my life, this has been a wonderful blessing both personally and professionally. Thank you all !"

Kelly serves on the 2008-2009 EWI Chattanooga Chapter Board as Program Director. Didn't Kelly do a great job at the auction!!!

Joey James

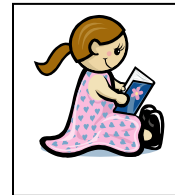

Joey has worked for the City of Chattanooga Head Start Program for 20 years and for the Head Start/Early Head Start Program for 10 years...that's 30 years!! I told her she must have started when she was 9 years old! The Program is Federally Funded the grantee is The City of Chattanooga. There are 15 sites all over Hamilton County and the Chattanooga Area. Their mission statement reads "We make a difference in the lives of children and families". Joey is the manager of Family Services, Parent involvement, Nutrition, Health and Transportation. She is one of six managers that this program needs to operate. They are responsible for over 700 children ages 6 weeks up to 4 years; they insure at least 2/3 of a Childs daily food intake has been met before they go home. They serve a very balanced diet and introduce the children to new foods, not just pizza and hamburgers. They also serve pregnant women and children with special needs. This program works with Doctors, Dentists, Nurses, Nutritionists and Mental Health Specialists to make sure all the needs of the children and families are met. Joey days are filled with visiting all their sites whether it be riding a bus and picking up children, monitoring a kitchen, or sitting in a class room observing a teacher interacting with the class, or working in her office at the mail location on Ocoee Street. She wants to mention her boss Donna Ginn "A Very wonderful lady to work for".

Joey has been a member of EWI since 1996. She loves the ladies and has made several friends over the years. She says "EWI is the most organized organization she has ever seen". Her job keeps her too busy but when she is able to come to the EWI meeting it is

Joey James.....

always a treat. The Reading Rally is sponsored by EWI, this year had 140 children at the Daisy location. They read about the Big Red Dog and each child planted a flower to take home and nurture. President's letter....

Executive Women International Chattanooga Chapter is facing a new year of growth. How exciting! I am so proud to be serving such a dynamic group of women. Our meetings are such an energy booster for me. I feel like a cheerleader every second Tuesday of the month. I love to see our membership Representatives introducing guests to other Representatives, hearing frequent giggles and words of encouragement buzzing about the room. I have the pleasure of sharing what a positive group EWI's are in Chattanooga on a regular basis.

LeadStar in their Leadership Moment for November 10, 2008, discussed Unexpected Mentors. I believe Chattanooga EWI's are mentors. We may not realize it, but we are influencing someone somehow every day. Let's hope it's always in a positive way. Many of us just need an occasional, "You can do it." Look around for those EWI's that are making a difference by offering kind word, a positive way to improve on a project, or a new way of looking at an obstacle as an opportunity. Before you know it, people are reaching for newer and greater goals than they thought they could achieve. Let's reach for the moon and we'll fall among the stars.

At your service,
Denise Reed
